

Smernice za bržu bezbednosnu kontrolu

Guidelines for faster screening process

Poštovani putnici,

PRE DOLASKA NA BEZBEDNOSNI PREGLED MOLIMO VAS DA:

- Tečnosti, gelove, aerosole i kozmetiku **do 100 ml** spakujete u plastičnu providnu kesu sa zip zatvaračem veličine 20x20 cm, zapremine **do 1 liter** po putniku i izdvojite ih van ručnog prtljaga
- Tečnosti **preko 100 ml** izdvojite van prtljaga i stavite u plastičnu kadicu
- Izdvojite predmete poput kaiša, satova, ključeva, novčanika i mobilnih uređaja
- Izujete poluduboku i duboku obuću i stavite je u plastičnu kadicu

Hvala na razumevanju kako bismo smanjili vreme zadržavanja u zoni pregleda i ubrzali proces. Prijatan let!

Dear passengers,

BEFORE ARRIVING FOR A SCREENING PROCESS, PLEASE ENSURE THAT YOU HAVE:

- Packed all liquids, gels, aerosols and cosmetics up **to 100 ml** in a plastic transparent bag with a zipper, dimensions 20x20 cm, total volume up **to 1 liter** per passenger and sorted them out from cabin baggage
- Sorted other liquids **over 100 ml** out from baggage and put them on a plastic tray
- Separated items such as: belt, keys, wallet and mobile devices
- Taken off all footwear above the ankle and put them on a plastic tray

We appreciate your understanding in our efforts to reduce the time spent in the passenger control area and accelerate the procedures.

Have a nice flight!
