Note:

- Prices are exclusive of VAT, for residents of the RS the calculation is conducted at the official middle exchange rate of the NBS valid on the day of the tax liability.
- The price of the use of Centralized Infrastructure represents the calculated amount per MTOW of the aircraft.
- For the services provided in the period from 22:00 – 5:00, the price for the use of centralized infrastructure increases by 30%, except for cargo aircraft flights.
- The price of using the air bridge represents the calculated amount per MTOW of the aircraft. The price for the use of air bridge represents the price for the arrival and departure of an aircraft. If the air bridge is used only in one direction, the price is calculated as 50% of the stated amount.
- Landing and Lighting price represents the calculated amount per MTOW of the aircraft.
- Lighting service is calculated according to the period of sunset/sunrise.
- The price of parking represents the calculated amount per ton for 24 hours. There is no charge for parking up to 4 hours.
