

PASSENGER INFORMATION ON SECURITY MEASURES

According to the international and domestic regulations restrictions for transport of liquids, gels and aerosols in hand luggage have been applied. The restrictions are applicable to any originating passenger or passenger in transit/transfer from the airport in Belgrade.

The following products shall be deemed as liquids:

- water and other types of drinks, soups and syrups;
- perfumes,
- mascara, sprays, creams, lotions and oils;
- gels, including hair and shower gels;
- pastes, including toothpastes;
- contents of pressurized containers, including shaving foam, other foams and deodorants;
- any other item of similar consistency.

Dear passengers, this leaflet has been produced
with the aim of preventing jams at security screening
checkpoints and for your own security.

HAVE A NICE FLIGHT !

PASSENGER DUTIES AND RESPONSIBILITIES

Packaging Method

- liquid, gel or aerosol must be placed in an individual containers up to 100 ml each;
- containers must be packed in a transparent re-sealable or zipped plastic bag;
- maximal dimensions for plastic bags used for packing liquid, gel and aerosol containers must be 20 x 20 cm with 1l maximum capacity;
- plastic bags used for packing containers with liquids, gels and aerosols must be sealed and placed separately from all other baggage at the screening checkpoint;
- one passenger must exclusively have one plastic bag containing liquids, gels and aerosols, with proper dimensions;

EXCEPTIONS

The following shall be subject to exceptions :

- carrying of liquids, gels and aerosols bought in duty free shops in security restricted area, packed in a transparent plastic bag, which must be sealed and remain sealed until reaching the final destination. The plastic bag, sealed in a duty free shop, must have a receipt for the purchased product, exclusively with the date of the travel;
- carrying of liquid or gruel baby foods and milk in the appropriate quantities, depending on the duration of the flight;
- carrying of medicines in the liquid, gel or aerosol form, used solely with the medical certificate issued by the competent medical institution or authorized dispensary;
- carrying of medical preparations such as insulin, plasma, etc. solely if passengers possess a certificate obtained from the competent medical institution.

**IN CASE OF NON-OBSERVANCE,
THE CONTENTS SHALL BE CONFISCATED AT
THE SECURITY CHECKPOINT**
